

Part number: 10A4NA-180

2.2 - 2.4 GHz, Splitter, 180 Degree

For airborne communication links, Renaissance has designed a medium power, compact 3dB, 180 degree Hybrid Coupler that has low insertion loss and high isolation.

Features and Benefits

- Flight system compatible
- Hybrid combining
- Compact
- Low loss
- Temperature Stable

Specifications	
Frequency	2.2 - 2.4 GHz
Insertion loss	3.5 dB
Amplitude Balance	0.4 dB
Phase Balance	1.5° MAX
Power	20 W
Temperature	-20°C to 65°C
Size	1.725" x 3.025" x .56"
